Sugary Liquids | Fast Carbs

BT1D Youth Ambassador | AvivaCares.org™ | @avivacares

PLAN AHEAD AND MONITOR | FAST SPIKES AND CRASHES

Boba Tea Large | 110g

Caramel Frappuccino Grande | 73g

Orange Juice, 1 Large Glass 16oz | 52g

Mango Lassi, 1 Large Glass 16oz | 65g

Maple Syrup, 1/4 Cup | 52g

FOR LOWS | I drink these before karate, for lows, or swim practice

If I'm not low and I don't have activity coming up, I drink this instead:

water, Sparkling Ice, coconut milk, soymilk, or Fairlife milk.

IF YOU DRINK IT, COUNT IT | 1 Large Boba = 110g, about 2 meals of carbs
